*RE: Case No. 13-53846-swr  
Chapter 9*

*FROM: Calvin Carter, Retiree  
City of Detroit*

*This is to inform you that I have mailed my ballot voting on the Grand Bargain. I just want you to know that my vote was done under Duress. This process has left me mentally, physically and emotionally devastated.*

*I think it is blatantly unfair that I worked for thirty five years, planning my life around a pension and health care I was assured I would receive upon my retirement. I feel violated.*

*Sincerely,*
